

24 Dicembre 2020-Gli studenti in sostegno a distanza ricevono i regali natalizi: denaro per i costi del trasporto a scuola, una visiera e una borraccia (per le alte temperature i ragazzi bevono molta acqua e per igiene è preferibile farlo nella propria borraccia). Tutti gli scolari scrivono una frase di ringraziamento per i benefattori.

Amidst pandemic, PERLA Scholars with gratitude happily received cash gifts with face shield and water tumblers from their Benefactors on December 24,2020. During the distribution, the Scholars came in per group following the health protocols set by the government
